## A Note From Denise Brown CEO

As I reflect on 2024, I am reminded that the heart of LifeNet4Families is not just our programs and services, but the people we serve and the community that supports us.

From the individuals and families who walk through our doors, to our dedicated staff and volunteers, to the donors and partners who make our work possible – people have always been at the forefront of our mission. In 2024, we faced numerous challenges, from rising food insecurity to increasing homelessness. But thanks to your unwavering support, we were able to adapt and respond, providing critical services and compassionate care to those who needed it most.

Our team worked tirelessly to deliver essential programs, from hot meals and groceries to showers and housing assistance. And through it all, we remained committed to our core values of dignity, respect, and compassion. As I look to the future, I am grateful for the trust and partnership of our supporters. Together, we are advancing our shared mission to create a more just and compassionate community.

Before we look ahead, I invite you to join me in reflecting on our accomplishments in 2024.
